

Dear Supporters,

I'm excited to share the Annual Report for the year 2022-23. It highlights the positive difference we've made in last-mile communities across four states namely Maharashtra, Madhya Pradesh, Rajasthan and Gujarat. I am proud to share updates on our journey towards building a healthier nation.

Throughout 2022-23, our dedicated efforts have touched the lives of an expansive population, reaching an astonishing total of 4,77,507 individuals in 1,272 villages. This remarkable outreach stands as a testament to the relentless commitment of our team and the enduring support of our invaluable donors.

The impact we achieve through our collective endeavors is both humbling and empowering, reaffirming our belief in the transformative power of compassion and dedication. This success owes itself to the tireless dedication of our team members, the generosity of our donors, and the trust bestowed upon us by the communities we are privileged to serve.

In our commitment to transparency and accountability, the annual report comprehensively outlines the details of our routine programs and strategic initiatives. It serves as a reflective document, illustrating our responsible use of resources and unwavering dedication to the highest standards of grassroots work.

A heartfelt thank you extends to all our stakeholders, partners, and supporters who have joined hands with us in this transformative journey. Together, we are sowing the seeds of change, nurturing the future, and empowering communities to build a more resilient and equitable tomorrow.
