Joy of Giving Week – Thank You, Donors

During Joy of Giving Week, we expressed our gratitude to donors and partners whose continued support enables us to reach the last-mile communities with life-saving nutrition and care. Your generosity makes lasting impact possible.

Partnering With Schools Under CAS Program

We welcomed two schools as Creativity, Activity & Service (CAS) partners in raising funds and engaging in community service. Through this collaboration, young changemakers are contributing to nutrition initiatives while learning the value of social responsibility.

Volunteer Power In Action

Towards the year-end, students from Little Angels' International School, Sion, celebrated Christmas with children at one of our Anganwadi centres in Andheri, spreading joy and supporting our work through crowdfunding.

We also hosted volunteers from MOORE Singhi at Dr. R. N. Cooper Hospital, Mumbai, who experienced our Kangaroo Mother Care and Poshan OPD interventions.

Additionally, in collaboration with Sun Network Pvt. Ltd., we organised a Children's Day PR event at an Anganwadi centre in Andheri, featuring a young celebrity and child artists, which was covered by *Aaj Tak* News.

Story of Transformation & Growth

Valvanda 1 is a small tribal village located 17 km away from Jawhar, Palghar (Maharashtra). Around 69 families reside in the village, including the family of Saarth (name changed) Lokhande. The family's primary livelihood is farming, and Saarth's father also works as a farm laborer. During one of the screenings at the Anganwadi centre, Saarth was identified as Severe Acute Malnourished (SAM)...

At Action against Hunger, we drive change from the ground up, to make this world free from hunger.

Since inception in 1979, we have led the global fight against hunger. Our work has impacted the lives of 15 million individuals, through a network of 8,000 humanitarian professionals across 55 countries. In India, our operations from the grassroots upwards, are focused on taking decisive action against the causes and effects of malnutrition. We equip people with knowledge and awareness, so they can see their children grow up strong, and for whole communities to prosper.
